Grade 4 — Weekly review — Module 2 Week 2

Date: 2026-11-20

Eight-subject review of taught work; practical evidence may replace a written response. Friday remains flexible.

Math — Multiply larger numbers by one digit

1. 178 x 6 = ? (1 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

ELA — Make supported inferences

1. Write a short response to today’s Khan reading or grammar lesson. Include a specific example. (3 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Physical Sciences — Infectious vs. noninfectious disease

1. How can an infectious disease differ from a noninfectious one? (1 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Social Studies — Mississippi industries/economy

W2 background: An organized area of economic activity producing goods/services. It connects materials, workers, products, and markets. This is an assessment background note written for this packet, not an

actual historical primary-source quotation.

1. Model a Mississippi resource and related industry. (3 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Art — Texture and materials

Read before you begin

Texture is surface quality, felt or visually suggested. Materials affect appearance and construction. Use clean safe parent-approved surfaces and tools.

1. How can a flat image suggest texture? (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Life Sciences — Practice and feedback

Read before you begin

Learning a skill usually takes attempts, useful feedback, and revision. Feedback is most helpful when it identifies a specific change rather than labeling a person as good or bad.

1. Give an example of useful feedback. (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Computer Science — Phishing and verification

Read before you begin

Messages can impersonate trusted people. Urgency and unexpected requests for money or secrets are warning signs. Verify through a known route rather than following an unexpected link.

1. Does a familiar logo prove authenticity? (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Life Skills — Laundry and fabric care

Read before you begin

Laundry choices depend on fabric, color, and care labels. Follow garment, appliance, and product instructions. An adult teaches unfamiliar equipment use.

1. What guides laundry choices? (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)
