Grade 4 — Weekly review — Module 2 Week 3

Date: 2026-12-04

Eight-subject review of taught work; practical evidence may replace a written response. Friday remains flexible.

Math — Multiply by two digits

1. 126 x 12 = ? (1 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

ELA — Identify central idea and theme

1. Write a short response to today’s Khan reading or grammar lesson. Include a specific example. (3 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Physical Sciences — Plant/animal life cycles

1. What are common stages in a flowering plant life cycle? (1 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Social Studies — Population, culture & communities

W3 background: Births, deaths, and people moving in/out. Shared and changing practices, beliefs, languages, arts, and ways of life. This is an assessment background note written for this packet, not an

actual historical primary-source quotation.

1. Describe a community respectfully without assuming everyone is the same. (3 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Art — Space and perspective

Read before you begin

Overlap, scale, position, and perspective can suggest depth. These strategies are not fixed rules for all traditions. Maps and perspective drawings serve different purposes.

1. Why do maps and perspective drawings differ? (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Life Sciences — Perspective and empathy

Read before you begin

Perspective is a person's interpretation of a situation. Empathy involves trying to understand another person's experience without assuming that we know exactly how they feel.

1. Does understanding require agreement? (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Computer Science — Digital kindness and boundaries

Read before you begin

Online actions affect real people. Ask before sharing another person's information or image. Stop interacting with unsafe content and seek trusted-adult support.

1. What should follow an unsafe interaction? (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)

Life Skills — Dishes and kitchen cleanup

Read before you begin

Dishes and food-contact surfaces need suitable washing and storage. Separate sharp objects and follow appliance instructions. Clean as work proceeds to reduce clutter.

1. Why keep sharp objects out of hidden dishwater? (2 points)

2. Show one piece of this week's work and explain one correction or improvement. (2 points)
