Grade 4 — Module assessment — Module 7 Week 4

Date: 2027-05-21

Eight-subject review of taught work; practical evidence may replace a written response. Friday remains flexible.

Math — Fractional line plots (required gap) and geometry review

1. Recorded lengths (inches): 1/4, 1/2, 1/2, 3/4, 1/4, 1/2. How many measurements are there? (1 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)

ELA — Write and revise a synthesis

1. Write a short response to today’s Khan reading or grammar lesson. Include a specific example. (3 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)

Physical Sciences — Severe weather & preparedness

1. Why should a severe-weather plan be prepared before a warning? (1 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)

Social Studies — Map skills + region comparison

W4 background: Distance represented by map measurements. They show complementary location and contextual information. This is an assessment background note written for this packet, not an actual historical primary-source quotation.

1. Compare regions using a map and a second source. (3 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)

Art — Critique and feedback

Read before you begin

Critique describes, analyzes, interprets, and evaluates using reasons. Useful feedback is specific and connected to the artist's goal. Disagreement can remain respectful.

1. What makes feedback actionable? (2 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)

Life Sciences — Indigenous and nonreligious worldviews

Read before you begin

Indigenous traditions belong to distinct peoples and histories; there is no single Indigenous religion. Nonreligious views can include humanism, atheism, and agnosticism, which also differ. Avoid treating any group as uniform.

1. Why avoid speaking of one Indigenous religion? (2 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)

Computer Science — Security and backups

Read before you begin

Backups preserve recoverable copies. Updates can address security problems. Test recovery using harmless practice files and parent-approved tools.

1. How can a backup be checked? (2 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)

Life Skills — Tools and maintenance

Read before you begin

Use tools only when their purpose, condition, and safe operation are understood. Unfamiliar electrical, pressurized, moving, sharp, or structural repairs need competent adults.

1. Should a child do an unfamiliar hazardous repair alone? (2 points)

2. Select evidence from two different weeks of this module. Explain a concept or practical skill and one improvement. (2 points)
