How to use this workbook

Every lesson in your textbook has matching practice pages here. Show your thinking in the work space. When a problem has an answer line, write your final answer there.

- Warm-Up reviews something you already know.
- Practice uses today's lesson.
- Think Deeper problems ask you to explain or find a mistake.
- Exit Ticket shows your teacher what you learned today.

UNIT 1

The Elements of Art

Critique, line and mark-making, form and light, proportion, color schemes, chiaroscuro, composition, and the artist statement.

Your practice pages for Unit 1. Each lesson matches the same lesson number in your textbook.

UNIT VOCABULARY

critique	Structured discussion of art.
hatching	Parallel lines for value.
chiaroscuro	Strong light-dark contrast.
analogous	Neighboring colors.
rule of thirds	Placing key elements on thirds.
artist statement	Explanation of an artwork.

LESSON 1.1 · PRACTICE
Week 1 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.1: Looking Closely: The Four-Step Critique

Name _____ Date _____

TODAY'S GOAL

I can analyze an artwork using describe, analyze, interpret, and judge.

Standards: NCAS VA:Re7, VA:Re8, VA:Re9

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.1 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

1 A structured discussion of art

2 Name two principles of design.

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · CRITIQUE PRACTICE

Can you support an opinion about art with evidence?

You need: internet access or an art book; drawing paper.

1. Choose one Migration Series panel. ☐
2. Write two sentences for each critique step. ☐
3. Make a quick thumbnail sketch of the panel's composition (just the main shapes). ☐

3 Write your four-step critique of one Migration Series panel.

4 Thumbnail of the panel's main shapes.

PART C Check Your Understanding

Directions: Answer each question.

5 Which critique step lists facts only?

6 Which step explains meaning?

7 What did The Migration Series depict?

PART D Exit Ticket

8 Why does the critique save “judge” for last?

LESSON 1.2 · PRACTICE
Week 1 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.2: Line and Mark-Making

Name _____ Date _____

TODAY'S GOAL

I can use contour, gesture, hatching, cross-hatching, and stippling to describe form and value.

Standards: NCAS VA:Cr2

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.2 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the art term for each description.

1. Quick drawing of movement

_____

2. Layered hatching in different directions

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · MARK-MAKING VALUE STUDIES

Which technique makes the smoothest value change?

You need: fine black pen or sharp pencil; drawing paper.

1. Draw three rectangles divided into five boxes. ☐
2. Fill one with hatching, one with cross-hatching, and one with stippling, light to dark. ☐
3. Draw a 2-minute blind contour of your hand. ☐
4. Draw your hand again, looking, and shade it with one technique. ☐

3 Three value strips: hatching, cross-hatching, stippling (5 steps each).

4 Shaded hand drawing.

PART C Check Your Understanding

Directions: Answer each question.

5 What is hatching?

6 Which technique uses dots?

7 Why do blind contours?

PART D Exit Ticket

8 Which technique would best show rough tree bark? Why?

SKETCHBOOK CHECK
After Lesson 1.2

About 15 minutes

Sketchbook Check 1: Critique and Line

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Answer each item. Draw where the item asks for a drawing.

1. The four critique steps in order

2. Parallel lines that create value

3. A quick drawing of movement

4. Make three boxes of value: hatching, cross-hatching, stippling.

LESSON 1.3 · PRACTICE
Week 2 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.3: Form and Light

Name _____ Date _____

TODAY'S GOAL

I can render a form using a consistent light source with highlight, midtone, core shadow, reflected light, and cast shadow.

Standards: NCAS VA:Cr2, VA:Cr3

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.3 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the term for each part of light and shadow.

1. Brightest spot

_____

2. Shadow thrown onto the table

_____

PART B Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · STILL LIFE WITH ONE LIGHT

Can you render three forms lit the same way?

You need: a ball, a box, and a can or cup; flashlight or desk lamp; pencils (2H, HB, 4B if you have them); blending stump or tissue.

1. Arrange the objects and light them from one side in a dim room. ☐
2. Lightly draw their shapes and the cast shadows. ☐
3. Squint to see the value groups; shade from light to dark. ☐
4. Check: is the light coming from the same side on every object? ☐

3 Render a sphere and a cube lit from the upper right. Label the five parts of light on the sphere.

4 Thumbnail of your still life. Mark the light direction with an arrow.

PART C Check Your Understanding

Directions: Answer each question.

5 Where is the darkest part of a cast shadow?

6 Why is reflected light dimmer than the lit side?

7 What goes wrong with two light directions?

PART D Exit Ticket

8 Why do artists squint at their subject?

LESSON 1.4 · PRACTICE
Week 2 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.4: Proportion and the Human Figure

Name _____ Date _____

TODAY'S GOAL

I can use proportion guidelines to draw a face and a standing figure.

Standards: NCAS VA:Cr2, VA:Cn11

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.4 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the term or number for each item.

1 Rules for ideal proportions

_____

2 Eyes are about ___ down the head.

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · MEASURED PORTRAIT AND FIGURE

Do proportion rules match real people?

You need: pencil; measuring tape; mirror; a partner or a photo.

1. Measure a partner's head height and total height; divide to find “heads tall.” ☐
2. Draw a proportional face with guidelines from the mirror. ☐
3. Draw a standing figure 7½ heads tall using stacked ovals as a guide. ☐
4. Compare the rule with your measurements. ☐

3 Partner's head height (cm)

4 Partner's total height ÷ head height =

5 Proportional figure, 7½ heads tall, with head-unit marks.

PART C Check Your Understanding

Directions: Answer each question.

6 About how many heads tall is an adult?

7 Who drew the Vitruvian Man?

8 Where do the ears line up?

PART D Exit Ticket

9 Why might a teen measure fewer “heads tall” than an adult?

SKETCHBOOK CHECK
After Lesson 1.4

About 15 minutes

Sketchbook Check 2: Light and Proportion

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Answer each item. Draw where the item asks for a drawing.

1. Name the five parts of light on a sphere.

2. An adult is about how many heads tall?

3. Render a sphere with a light source from the left.

LESSON 1.5 · PRACTICE
Week 3 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.5: Color Theory and Color Schemes

Name _____ Date _____

TODAY'S GOAL

I can describe hue, saturation, and value, and use color schemes to create mood.

Standards: NCAS VA:Cr2, VA:Re8

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.5 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Practice, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the color term for each description.

1. A color's name

_____

2. Brightness or dullness of a color

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · ONE IMAGE, TWO MOODS

How does a color scheme change meaning?

You need: colored pencils, markers, or paint; two copies of a simple line drawing.

- [ ] 1. Draw a simple scene (a house and tree) and trace it twice.
- [ ] 2. Color one in an analogous warm scheme.
- [ ] 3. Color the other in a complementary or cool scheme.
- [ ] 4. Write the mood of each.

3 Your scene in two color schemes (side by side).

4 How did the mood change between the two versions?

PART C Check Your Understanding

Directions: Write the color or term for each item, or answer the question.

5 Complement of red

6 Analogous colors are...

7 How do you lower a color's saturation?

PART D Practice

Directions: Write the colors in each color scheme.

8 Triad including red

9 Split-complement of blue

10 Analogous to violet

11 Do warm colors seem to advance or recede?

PART E Exit Ticket

12 Which scheme would you use for a poster about a calm library? Why?

LESSON 1.6 · PRACTICE
Week 3 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.6: Value, Contrast, and Chiaroscuro

Name _____ Date _____

TODAY'S GOAL

I can make a nine-step value scale and use strong contrast (chiaroscuro) for drama.

Standards: NCAS VA:Cr2, VA:Re7

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.6 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the term for each description.

1. Even steps from white to black

_____

2. Extreme chiaroscuro

_____

PART B Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · DRAMATIC LIGHT STUDY

How does strong side lighting change an object?

You need: one object (a mug, an apple, a toy); flashlight; dark paper and white charcoal or chalk, or pencil on white paper.

1. Make a nine-step value scale. ☐
2. Light your object from one low side in a dark room. ☐
3. Draw it, pushing the darks very dark and saving the lights. ☐
4. Compare with a drawing of the same object in flat, even light. ☐

3 Nine-step value scale.

4 Dramatic light study of one object.

PART C Check Your Understanding

Directions: Answer each question.

5 What does chiaroscuro mean?

6 Which artist is known for tenebrism?

7 How many steps in the class value scale?

PART D Exit Ticket

8 How would The Calling of Saint Matthew feel different with even lighting?

SKETCHBOOK CHECK
After Lesson 1.6

About 15 minutes

Sketchbook Check 3: Color and Value

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Write the color or term for each item.

1. Complement of yellow

2. Three colors evenly spaced on the wheel

3. Italian for light-dark

4. How to dull (desaturate) a color

5. Nine-step value scale.

LESSON 1.7 · PRACTICE
Week 4 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.7: Composition: Thirds, Leading Lines, and Balance

Name _____ Date _____

TODAY'S GOAL

I can plan a composition using the rule of thirds, leading lines, emphasis, and asymmetrical balance.

Standards: NCAS VA:Cr1, VA:Cr2

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.7 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the term for each description.

1. Empty space around objects

_____

2. Different elements with even visual weight

_____

PART B Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · FOUR THUMBNAILS

Which composition tells your idea best?

You need: pencil; drawing paper.

- [ ] 1. Choose a subject that matters to you.
- [ ] 2. Draw four thumbnails: centered, rule of thirds, strong leading lines, and lots of negative space.
- [ ] 3. Shade each in three values (light, middle, dark) only.
- [ ] 4. Pick the strongest and write why.

3 Four value thumbnails of one subject; circle the strongest.

4 Why did you choose that thumbnail?

PART C Check Your Understanding

Directions: Answer each question.

5 What are leading lines?

6 What balances the great wave in Hokusai's print?

7 Why value-only thumbnails?

PART D Exit Ticket

8 Find leading lines in a photo you've taken or a poster. Describe them.

LESSON 1.8 · PRACTICE
Week 4 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.8: Revision, Critique, and the Artist Statement

Name _____ Date _____

TODAY'S GOAL

I can revise a work using peer critique and write an artist statement explaining my choices.

Standards: NCAS VA:Cr3, VA:Pr5, VA:Re9

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.8 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the term or example for each item.

1. Text explaining an artist's work

2. Prompt for a suggestion

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · FINAL PIECE AND STATEMENT

Can you finish, critique, revise, and explain a work?

You need: your chosen thumbnail; drawing paper; your choice of media.

- [ ] 1. Develop the thumbnail into a final work.
- [ ] 2. Hold a critique with I notice / I wonder / What if.
- [ ] 3. Revise.
- [ ] 4. Write your artist statement.

3 Plan your final piece: sketch the composition.

4 Record the feedback you received (I notice / I wonder / What if) and what you will revise.

5 Write your artist statement (75–150 words).

PART C Check Your Understanding

Directions: Answer each question.

6 Name the three critique prompts.

7 How long is the artist statement?

8 Name two things an artist statement includes.

UNIT REVIEW
Study before the unit test

About 30 minutes

Unit 1 Review

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

PART A Vocabulary

Directions: Write what each art term means.

1. saturation

2. analogous

3. tenebrism

4. leading lines

5. cast shadow

6. artist statement

PART B Portfolio

7. Choose three Unit 1 works for your portfolio and write one sentence about each.

PORTFOLIO REVIEW
At the end of the unit

About 45 minutes

Unit 1 Portfolio Review

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] This test has 16 points.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

PART A

Part A · Concepts (1 point each)

1. Which critique step explains meaning?

A describe
B analyze
C interpret
D judge

2. Which scheme uses colors opposite each other?

A analogous
B complementary
C monochromatic

3. Where is the darkest value of a cast shadow?

4. Name one mark-making technique for value.

5. Who painted The Calling of Saint Matthew?

6. What balances the wave in Hokusai's print?

PART B Part B · Critique (4 points)

7 Write a four-step critique of an artwork you didn't study in this unit (any museum website).

PART C Part C · Portfolio (6 points)

Directions: Turn in your Lesson 1.8 final piece and artist statement. Your teacher will score them with the rubric.

8 Your teacher scores your Lesson 1.8 final piece and statement with this rubric. Note one goal for Unit 2.

UNIT 2

Modern Art and Architecture

Surrealism, Abstract Expressionism and Color Field painting, geometric abstraction, abstraction from nature, modern architecture, and a portfolio show.

Your practice pages for Unit 2. Each lesson matches the same lesson number in your textbook.

UNIT VOCABULARY

Surrealism	Art of dreams and the unconscious.
abstract	Art without recognizable objects.
gesture	A mark that records movement.
Color Field	Large areas of color creating mood.
asymmetrical balance	Different sides with equal visual weight.
form follows function	A building's shape comes from its purpose.

LESSON 2.1 · PRACTICE
Week 1 · Lesson 1 of 2

Unit 2: Modern Art and Architecture

Lesson 2.1: Surrealism: Dreams and the Impossible

Name _____ Date _____

TODAY'S GOAL

I can explain the goals of Surrealism and analyze how artists made realistic-looking images of impossible things.

Standards: NCAS VA:Re7.2, VA:Re8

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.1 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Critique, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. Placing unrelated things side by side

_____

2. Painting so realistically something seems real

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · DREAM JOURNAL SKETCH

Can you draw an impossible scene so it looks real?

You need: a sketchbook; pencils (2H, HB, 4B); an eraser.

- [ ] 1. Write one sentence about a dream or a strange idea (a floating house, a soft staircase).
- [ ] 2. Choose one Surrealist strategy from the chart.
- [ ] 3. Sketch the scene with a horizon line and realistic shading.
- [ ] 4. Add one detail that makes the viewer look twice.

3 Write the dream sentence that inspired your sketch.

4 Dream journal sketch.

PART C Check Your Understanding

Directions: Answer each question.

5 When did the Surrealist movement begin?

6 What is strange about the watches in The Persistence of Memory?

7 What is juxtaposition?

PART D Critique

Directions: Use the four-step critique from Unit 1.

8 Look at Magritte's The Son of Man on a museum or educational website. Write the four critique steps: describe, analyze, interpret, judge.

PART E Exit Ticket

Directions: Answer in complete sentences.

9 Why would a Surrealist use a realistic painting style to show something impossible?

LESSON 2.2 · PRACTICE
Week 1 · Lesson 2 of 2

Unit 2: Modern Art and Architecture

Lesson 2.2: Surrealist Techniques: Collage and Chance

Name _____ Date _____

TODAY'S GOAL

I can use collage, scale change, and chance-based games to create a Surrealist artwork.

Standards: NCAS VA:Cr1.1, VA:Cr2.1

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.2 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. Art made of glued cut images

_____

2. Size compared with something else

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · SURREAL COLLAGE

Can real pictures make an impossible scene?

You need: old magazines or printed images; scissors; a glue stick; heavy paper; colored pencils.

1. Choose a background: a landscape, a room, or a city. ☐
2. Cut out at least four objects and change the scale of at least one. ☐
3. Arrange them using juxtaposition before you glue. ☐
4. Glue them down and add drawn shadows so the pieces look like they belong. ☐

3 Play exquisite corpse with a family member: fold a paper in thirds; one person draws a head, the next a body, the last legs. Tape your finished creature here or sketch it.

4 Describe your collage plan: background, four objects, and one scale change.

5 Title for your collage:

PART C Check Your Understanding

Directions: Answer each question.

6 What is automatism?

7 How is the exquisite corpse game played?

8 How can changing scale make an image surreal?

PART D Exit Ticket

Directions: Answer in complete sentences.

9 Which Surrealist technique gave you the most surprising result? Why?

SKETCHBOOK CHECK
After Lesson 2.2

About 15 minutes

Sketchbook Check 1: Surrealism

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Answer each question, then complete the sketch.

1. Painter of The Persistence of Memory

2. Placing unrelated things side by side

3. Drawing without planning

4. Painter of “This is not a pipe”

5. Sketch a quick surreal idea using a scale change.

LESSON 2.3 · PRACTICE
Week 2 · Lesson 1 of 2

Unit 2: Modern Art and Architecture

Lesson 2.3: Abstract Expressionism: Action Painting

Name _____ Date _____

TODAY'S GOAL

I can explain how action painters used gesture and process and create an expressive abstract painting.

Standards: NCAS VA:Re7.2, VA:Cr2.1

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.3 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Look and Respond, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. A mark that records the artist's movement

2. The way an artwork is made

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · GESTURE PAINTING

How can movement become a painting?

You need: large paper (or paper taped to the floor outdoors); tempera paint thinned with water in cups; sticks, old brushes, and squeeze bottles; drop cloth or newspaper.

1. Choose a feeling (calm, joyful, angry, excited) and two or three colors that fit it. ☐
2. Make your first layer with large arm movements. ☐
3. Let it dry slightly; add a second layer with a different tool and speed. ☐
4. Step back after each layer and decide what the painting needs. Stop when it feels finished. ☐

Safety: Work outdoors or on a covered floor; wear old clothes.

3 Feeling I want to show:

4 Practice gestures: try five quick marks that show the feeling.

5 Describe two choices you made while creating your gesture painting, including when you stopped.

PART C Check Your Understanding

Directions: Answer each question.

6 What is abstract art?

7 How did Pollock paint?

8 Why is it called action painting?

PART D Look and Respond

Directions: Look closely, then answer.

9 Look at a Pollock painting online. Describe the lines, colors, and layers. What feeling or rhythm do you sense?

PART E Exit Ticket

Directions: Answer in complete sentences.

10 Respond to someone who says, “Anyone could make that.”

LESSON 2.4 · PRACTICE
Week 2 · Lesson 2 of 2

Unit 2: Modern Art and Architecture

Lesson 2.4: Color Field Painting

Name _____ Date _____

TODAY'S GOAL

I can explain how Color Field painters used large areas of color to create mood and make a color field study.

Standards: NCAS VA:Re7.2, VA:Cr2.1

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.4 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Compare, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. How bright or dull a color is

_____

2. The name of a color

_____

PART B Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · COLOR FIELD STUDY

How do hue, saturation, and edges change mood?

You need: watercolor paper; watercolors or thinned acrylic; a wide brush; a sponge.

1. Choose a mood and plan two or three hues that create it. ☐
2. Wet the paper with the sponge. ☐
3. Paint two or three stacked rectangles with soft edges, letting colors blur. ☐
4. Make a second study with the same shapes but opposite colors and compare. ☐

3 Record your results in the table.

	Study 1	Study 2
Colors I used		
Mood it creates		

4 Describe your two Color Field studies. How did changing the colors change the mood?

PART C Check Your Understanding

Directions: Answer each question.

5 What did Rothko want viewers to do?

6 What is soak-stain?

7 What mood might cool, low-saturation colors create?

PART D Compare

Directions: Answer in complete sentences.

8 Compare action painting (Lesson 2.3) and Color Field painting. Give one similarity and one difference.

- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Answer each question about Abstract Expressionism.

1. Painter who dripped paint on canvas on the floor

2. A mark that records movement

3. Painter of glowing stacked rectangles

4. Technique invented by Helen Frankenthaler

5. Give one difference between action painting and Color Field painting.

LESSON 2.5 · PRACTICE
Week 3 · Lesson 1 of 2

Unit 2: Modern Art and Architecture

Lesson 2.5: Rhythm and Geometry: Kandinsky and Mondrian

Name _____ Date _____

TODAY'S GOAL

I can explain how Kandinsky and Mondrian used line, shape, and color to create rhythm and balance, and make a geometric composition.

Standards: NCAS VA:Re7.2, VA:Cr2.1

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.5 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Look and Respond, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. Movement made by repetition

2. Red, yellow, and blue

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · RHYTHM GRID

Can lines and colors create a visual beat?

You need: white paper; a ruler; black marker or tape; red, yellow, and blue markers or paint; a song with a strong beat.

1. Listen to the song and tap its beat. ☐
2. Use the ruler to draw horizontal and vertical lines that divide the paper unevenly. ☐
3. Fill a few rectangles with primary colors; leave most white. ☐
4. Check balance: does one side feel heavier? Adjust with a small block of color. ☐

3 Song I chose:

4 Sketch a thumbnail plan for your Rhythm Grid. Mark where the colors go.

5 How did you create rhythm and balance?

PART C Check Your Understanding

Directions: Answer each question.

6 Why did Kandinsky name his paintings like music?

7 Which colors did Mondrian use?

8 What is asymmetrical balance?

PART D Look and Respond

Directions: Look closely, then answer.

9 Look at Broadway Boogie Woogie online. How does Mondrian create a sense of music and city life?

PART E Exit Ticket

Directions: Answer in complete sentences.

10 How did you balance your composition without making both sides the same?

LESSON 2.6 · PRACTICE
Week 3 · Lesson 2 of 2

Unit 2: Modern Art and Architecture

Lesson 2.6: Abstraction from Nature: O'Keeffe and Alma Thomas

Name _____ Date _____

TODAY'S GOAL

I can explain how artists abstracted nature through close-ups, simplification, and pattern, and create an abstraction from a natural object.

Standards: NCAS VA:Re7.1, VA:Cr1.2

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.6 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Compare, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1 A view from very near

_____

2 To leave out details

_____

PART B Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · FROM NATURE TO ABSTRACTION

How can you turn a natural object into an abstract artwork?

You need: a leaf, flower, shell, or slice of fruit; a viewfinder (a small square cut in paper); drawing paper; colored pencils, markers, or paint.

1. Use the viewfinder to find a small, interesting section of your object. ☐
2. Draw it realistically, filling the whole square. ☐
3. Make a second version that simplifies the shapes and changes the colors. ☐
4. Make a third version using Alma Thomas-style rows of short strokes. ☐

3 Draw all three versions side by side.

Realistic	Simplified	Pattern

4 Which of your three versions is most interesting to you? Why?

PART C Check Your Understanding

Directions: Answer each question.

5 Why did O'Keeffe paint flowers so large?

6 What did Alma Thomas's paintings look like?

7 What does it mean to simplify in art?

PART D Compare

Directions: Answer in complete sentences.

8 Compare how O'Keeffe and Alma Thomas each abstracted nature. Use art words.

PART E Exit Ticket

Directions: Answer in complete sentences.

9 Is an abstraction of a leaf still about the leaf? Explain.

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Answer each question, then complete the drawing.

1. Artist who linked abstract art to music

2. Mondrian's colors

3. Balance with different but equal sides

4. Artist known for huge flower close-ups

5. Draw a small Mondrian-style grid with asymmetrical balance.

LESSON 2.7 · PRACTICE
Week 4 · Lesson 1 of 2

Unit 2: Modern Art and Architecture

Lesson 2.7: Twentieth-Century Architecture: Form Follows Function

Name _____ Date _____

TODAY'S GOAL

I can explain key ideas of modern architecture and design a building that fits its site and purpose.

Standards: NCAS VA:Re7.1, VA:Cn11

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.7 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Look and Respond, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. A floor supported at one end

_____

2. German school that joined art and industry

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · DESIGN FOR A SITE

How can a building fit its place and purpose?

You need: drawing paper and graph paper; pencil and ruler; colored pencils.

1. Choose a site (a hillside, a beach, a forest, or a city lot) and a purpose (a home, a library, a studio). ☐
2. List three needs the building must meet. ☐
3. Sketch a floor plan and one outside view. ☐
4. Label one feature that follows function and one that responds to the site. ☐

3 Floor plan (view from above). Label each room.

4 Outside view. Label two features that respond to the site.

5 Explain how your design meets its three needs and responds to its site.

PART C Check Your Understanding

Directions: Answer each question.

6 What does form follows function mean?

7 What is a cantilever?

8 Name a Frank Lloyd Wright building in Mississippi.

PART D Look and Respond

Directions: Look closely, then answer.

9 Look at photos of Fallingwater online. Explain two ways it shows organic architecture.

PART E Exit Ticket

Directions: Answer in complete sentences.

10 How is modern architecture different from the Greek Revival style of the early United States?

LESSON 2.8 · PRACTICE
Week 4 · Lesson 2 of 2

Unit 2: Modern Art and Architecture

Lesson 2.8: Modern Art Portfolio and Artist Statement

Name _____ Date _____

TODAY'S GOAL

I can select, revise, and present work from this unit with an artist statement that connects my art to modern movements.

Standards: NCAS VA:Pr4, VA:Pr5, VA:Re9

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.8 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. A collection of an artist's best work

2. An artist or idea that affects your work

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · PORTFOLIO SHOW

How can you present your work like a professional artist?

You need: your Unit 1 and Unit 2 artwork; index cards; a wall, table, or digital slides.

1. Choose three to five pieces with a common thread (a theme, technique, or movement). ☐
2. Revise one piece using feedback. ☐
3. Write a label for each piece and one artist statement for the group. ☐
4. Present your show to your family and answer their questions. ☐

3 Piece 1 and why you chose it

4 Piece 2 and why you chose it

5 Piece 3 and why you chose it

6 The common thread

7 Write your artist statement. Answer all four questions from the chart and name at least one modern artist who influenced you.

PART C Check Your Understanding

Directions: Answer each question.

8 What does it mean to curate a portfolio?

9 Name three questions an artist statement answers.

10 Why revise a piece before presenting it?

PART D Exit Ticket

Directions: Answer in complete sentences.

11 What feedback did your family give during your show? What would you change next time?
