How to use this workbook

Every lesson in your textbook has matching practice pages here. Show your thinking in the work space. When a problem has an answer line, write your final answer there.

- Warm-Up reviews something you already know.
- Practice uses today's lesson.
- Think Deeper problems ask you to explain or find a mistake.
- Exit Ticket shows your teacher what you learned today.

UNIT 1

The Elements of Art

Looking like an artist, line, shape and form, proportion, color, value and contrast, composition, and revision.

Your practice pages for Unit 1. Each lesson matches the same lesson number in your textbook.

UNIT VOCABULARY

elements of art	Line, shape, form, color, value, texture, space.
proportion	Size relationships.
primary colors	Red, yellow, blue.
contrast	A big difference that stands out.
composition	How parts are arranged.
revise	Change and improve.

LESSON 1.1 · PRACTICE
Week 1 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.1: Looking Like an Artist

Name _____ Date _____

TODAY'S GOAL

I can look closely at artwork and describe what I see using the elements of art.

Standards: NCAS VA:Re7, VA:Re8

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.1 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Look and Describe, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the art word for each description.

1. To look closely and carefully

_____

2. How light or dark something is

_____

PART B Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · NATURE OBSERVATION SKETCH

How much can you notice in 10 minutes?

You need: pencil; drawing paper; a leaf, flower, shell, or pinecone.

1. Set your object in front of you. ☐
2. Look for one full minute before you draw. ☐
3. Draw it slowly, looking at the object more than at your paper. ☐
4. Add three labels for details you noticed (veins, spots, edges). ☐

3 Draw your nature object from observation. Label three details.

PART C Check Your Understanding

Directions: Answer each question.

4 Name three elements of art.

5 Where did Walter Anderson go to draw nature?

6 What are the three steps of See, Think, Wonder?

PART D Look and Describe

7 Choose an artwork (a book illustration, a museum website, or art in your home). Write one See, one Think, and one Wonder.

PART E Exit Ticket

8 Which element of art did you notice most in your object? Why?

LESSON 1.2 · PRACTICE
Week 1 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.2: Line

Name _____ Date _____

TODAY'S GOAL

I can create different kinds of lines and use them to show movement and feeling.

Standards: NCAS VA:Cr1, VA:Cr2

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.2 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the kind of line for each description.

1. Lines that slant

2. Lines that go straight up and down

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · LINE SAMPLER AND LINE FEELINGS

How can lines show feelings?

You need: pencil; black marker; paper.

1. Fold a paper into eight boxes. ☐
2. Fill each box with a different kind of line (straight, curved, zigzag, wavy, spiral, dotted, thick, thin). ☐
3. On a new paper, draw a simple landscape using only lines that feel calm. ☐
4. Draw the same landscape again using only lines that feel stormy. ☐

3 Line sampler: fill each part of this space with a different kind of line. Label each one.

4 Draw a tree using only zigzag and spiral lines.

5 Draw the same simple landscape twice: calm lines on the left, stormy lines on the right.

6 Which lines did you choose for each landscape, and why?

PART C Check Your Understanding

Directions: Answer each question.

7 What feeling do horizontal lines often show?

8 What kind of line shows the outside edge of a shape?

9 What kind of lines did van Gogh use in the sky?

PART D Exit Ticket

10 Which kind of line would you use to show a race car? Why?

SKETCHBOOK CHECK
After Lesson 1.2

About 15 minutes

Sketchbook Check 1: Looking and Line

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Answer each item about line and the elements of art.

1. Name four elements of art.

2. Feeling of horizontal lines

3. Feeling of diagonal lines

4. Draw three different kinds of lines and label them.

LESSON 1.3 · PRACTICE
Week 2 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.3: Shape and Form

Name _____ Date _____

TODAY'S GOAL

I can tell shapes from forms, sort shapes as geometric or organic, and use shading to make a shape look 3-D.

Standards: NCAS VA:Cr2

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.3 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Sort, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write shape or form for each description.

1. Flat, with edges

_____

2. Has height, width, and depth

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · FROM SHAPE TO FORM

How can shading make a shape look three-dimensional?

You need: pencil; paper; a ball or orange and a lamp or window light.

1. Draw a circle. Decide where the light is coming from. ☐
2. Shade the side away from the light darker, blending smoothly. ☐
3. Leave a small bright spot (highlight) near the light side. ☐
4. Add a shadow on the ground under the ball. ☐

3 Draw a flat circle and a shaded sphere side by side. Show where the light comes from.

4 Draw and shade a sphere, a cube, and a cylinder. Show where the light comes from.

PART C Check Your Understanding

Directions: Write geometric or organic, or answer the question.

5 Geometric or organic: a leaf

6 What form does a circle become?

7 Where does shading go?

PART D Sort

Directions: Write geometric or organic for each shape.

8 puddle

9 stop sign

10 cloud

11 window

PART E Exit Ticket

12 Why did Matisse's cut-outs use mostly organic shapes, do you think?

LESSON 1.4 · PRACTICE
Week 2 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.4: Proportion

Name _____ Date _____

TODAY'S GOAL

I can use proportion to draw a face with parts in the right size and place.

Standards: NCAS VA:Cr2, VA:Cr3

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.4 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the art word for each description.

1. A picture of a person

_____

2. Size relationships between parts

_____

PART B Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · PROPORTIONAL SELF-PORTRAIT

Can guidelines help you draw a face that looks right?

You need: pencil; eraser; mirror; paper.

- [ ] 1. Draw a large oval. Lightly draw the halfway line and a center line.
- [ ] 2. Place the eyes on the halfway line, one eye-width apart.
- [ ] 3. Add the nose and mouth using the guide.
- [ ] 4. Look in the mirror to add hair, ears (between the eye line and nose line), and details.
- [ ] 5. Erase the guidelines.

3 Draw a face using the face guide steps.

4 What did the guidelines help you get right?

PART C Check Your Understanding

Directions: Answer each question.

5 Where are the eyes on most faces?

6 Where do the ears usually line up?

7 What is exaggeration?

PART D Exit Ticket

8 What surprised you about where facial features go?

SKETCHBOOK CHECK
After Lesson 1.4

Sketchbook Check 2: Shape, Form, and Proportion

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Answer each item.

1. Geometric or organic: a flower

2. A circle as a form is a...

3. Where are the eyes on most faces?

4. Draw and shade a sphere with a light source.

LESSON 1.5 · PRACTICE
Week 3 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.5: Color

Name _____ Date _____

TODAY'S GOAL

I can name primary, secondary, and tertiary colors and mix secondary colors.

Standards: NCAS VA:Cr2

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.5 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Practice, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the color you get when you mix the two colors.

1. Yellow + blue = _____

2. Blue + red = _____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · PAINT A COLOR WHEEL

Can you make every color on the wheel from three primaries?

You need: red, yellow, and blue paint; brush; water cup; paper towel; paper plate palette; the workbook color wheel template.

1. Paint the three primary colors in their spaces. ☐
2. Mix and paint the three secondary colors. ☐
3. Mix and paint the six tertiary colors. ☐
4. Clean your brush between colors. ☐

3 Color wheel template: paint or color all 12 parts in order.

4 Which colors were hardest to mix? What did you do?

PART C Check Your Understanding

Directions: Answer each question.

5 Red + yellow = ?

6 Name the three primary colors.

7 Name a tertiary color.

PART D Practice

Directions: Write primary or secondary, or write the color you get when you mix.

8 Primary or secondary: orange

9 Primary or secondary: blue

10 Yellow + green =

11 Which primary is not in green?

PART E Exit Ticket

12 Why should you add dark colors to light colors a little at a time?

LESSON 1.6 · PRACTICE
Week 3 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.6: Value and Contrast

Name _____ Date _____

TODAY'S GOAL

I can make tints and shades, create a value scale, and use contrast to make something stand out.

Standards: NCAS VA:Cr2, VA:Re7

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.6 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Practice, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the art word for each item.

1. Lightness or darkness

2. Color + black =

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · HIGH-CONTRAST PICTURE

How can contrast make one thing stand out?

You need: paint or colored pencils; black and white paint or pencils; paper.

1. Make a 5-step value scale of one color, from tint to shade. ☐
2. Draw a simple subject (a fish, a flower, a rocket). ☐
3. Color the subject with one color and the background with its complement. ☐
4. Check: does your subject pop out? ☐

3 Make a 5-step value scale with your pencil, from lightest to darkest.

4 Sketch a subject that stands out using contrast.

PART C Check Your Understanding

Directions: Answer each question.

5 What do you add to make a tint?

6 What is the complement of blue?

7 Why are school buses yellow and black?

PART D Practice

Directions: Write the complement of each color, or fill in the blank.

8 Complement of red

9 Complement of yellow

10 Pink is a ___ of red.

11 Navy is a ___ of blue.

PART E Exit Ticket

12 Name a place you see contrast used to get attention (a sign, a logo, a jersey).

Sketchbook Check 3: Color and Value

Name _____ Date _____

DIRECTIONS

- [ ] Work on your own. Don't use your textbook unless your teacher says you may.
- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

Show what you know

Directions: Write the color or art word for each item.

1. Blue + yellow =

2. Complement of orange

3. Color + white =

4. Name a tertiary color.

5. Make a 5-step value scale.

LESSON 1.7 · PRACTICE
Week 4 · Lesson 1 of 2

Unit 1: The Elements of Art

Lesson 1.7: Composition

Name _____ Date _____

TODAY'S GOAL

I can plan a composition with a clear focal point and balance.

Standards: NCAS VA:Cr1, VA:Cr2

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.7 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the art word for each description.

1. How parts are arranged

_____

2. Balance that is different on each side but still feels even

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · THUMBNAIL PLANNING

Which arrangement makes the strongest picture?

You need: pencil; paper.

- [ ] 1. Choose a subject: your pet, your house, or a favorite place.
- [ ] 2. Draw four small boxes (thumbnails).
- [ ] 3. Sketch the subject a different way in each: centered, off center, close up, far away.
- [ ] 4. Circle the strongest one and explain why.

3 Draw four thumbnail sketches of one subject. Circle your best composition.

4 Why is the thumbnail you circled the strongest?

PART C Check Your Understanding

Directions: Answer each question.

5 What is a focal point?

6 What kind of balance is the same on both sides?

7 What is a thumbnail sketch?

PART D Exit Ticket

8 Why do artists make thumbnails before a final piece?

LESSON 1.8 · PRACTICE
Week 4 · Lesson 2 of 2

Unit 1: The Elements of Art

Lesson 1.8: Revision and Kind, Specific Feedback

Name _____ Date _____

TODAY'S GOAL

I can give and use kind, specific, helpful feedback to improve my artwork.

Standards: NCAS VA:Cr3, VA:Re9

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 1.8 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Practice, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the art word for each description.

1. To change and improve

_____

2. A thoughtful discussion of art

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · DRAFT, FEEDBACK, FINAL

How much can feedback improve a drawing?

You need: your best thumbnail from Lesson 1.7; paper; colored pencils or paint.

- [ ] 1. Make a larger draft from your thumbnail.
- [ ] 2. Ask your teacher or a family member for one kind, specific, helpful comment.
- [ ] 3. Revise based on the feedback.
- [ ] 4. Add color, using value and contrast.
- [ ] 5. Put your draft and final side by side.

3 Draft: sketch your plan here.

4 Record your results in the table.

Feedback I got	What I will change

5 Final piece: draw your revised composition here (or attach your painting).

PART C Check Your Understanding

Directions: Answer each question.

6 Name the three parts of good feedback.

7 What did Austin do to improve his butterfly?

8 What does revise mean?

PART D Practice

9 Rewrite “It's nice” as kind, specific, helpful feedback for a picture of a dog.

PART E Exit Ticket

10 What feedback did you use, and how did it change your art?

- [ ] Read each passage and question carefully. Answer in complete sentences.
- [ ] When you finish, check that every question has an answer.

PART A

Part A · Elements of art (1 point each)

Directions: Answer each question about the elements of art. For questions with choices, circle the letter of the best answer.

1. Which is a form?
   A circle
   B sphere
   C square

2. Red, yellow, and blue are...
   A secondary colors
   B primary colors
   C tertiary colors

3. What does adding black make?

4. Which line direction shows calm?

5. Name the complement of violet.

6. Where should a focal point often go?

PART B Part B · Look and describe (3 points)

7 Choose one artwork from this unit (The Starry Night, The Snail, The Great Wave, or a Walter Anderson painting). Describe how the artist used two elements of art.

PART C Part C · Portfolio (6 points)

8 Choose your final piece from Lesson 1.8. Your teacher will score it with this rubric. Then write two sentences about your choices.

UNIT 2

Art Around the World

African masks and bronzes, kente and adinkra, Chinese calligraphy, landscape, and porcelain, early American portraits and buildings, and a family gallery.

Your practice pages for Unit 2. Each lesson matches the same lesson number in your textbook.

UNIT VOCABULARY

symbol	A picture that stands for an idea.
pattern	A planned repeating design.
calligraphy	Artistic handwriting.
porcelain	Fine white ceramic first made in China.
portrait	An artwork of a person.
curator	A person who arranges art for a show.

LESSON 2.1 · PRACTICE
Week 1 · Lesson 1 of 2

Unit 2: Art Around the World

Lesson 2.1: Art of Africa: Masks and Leaders

Name _____ Date _____

TODAY'S GOAL

I can explain how African masks and the Benin bronzes were used and design a mask with symbolic features.

Standards: NCAS VA:Re7, VA:Cn11

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.1 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Look and Describe, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. A picture that stands for an idea

_____

2. A sculpture that sticks out from a flat background

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · PAPER PLATE MASK

How can shapes and colors stand for ideas?

You need: a paper plate; markers or paint; scissors (with an adult); yarn, paper strips, or beads.

1. Choose two ideas about yourself (such as kind, curious, brave). ☐
2. Pick a symbol for each: a shape, a pattern, or an exaggerated feature. ☐
3. Sketch your plan first, then make the mask. ☐
4. Use at least one repeating geometric pattern. ☐

3 Sketch your mask plan. Label each symbol and what it means.

4 What does each symbol on your mask mean?

PART C Check Your Understanding

Directions: Answer each question.

5 What is a symbol?

6 Who was the Oba?

7 Why might a mask have very large eyes?

PART D Look and Describe

Directions: Use the See, Think, Wonder steps from Unit 1.

8 Find a photo of an African mask on a museum website with your teacher. Write one See, one Think, and one Wonder.

PART E Exit Ticket

Directions: Answer in complete sentences.

9 Why was the Oba shown bigger than the other people on Benin plaques?

LESSON 2.2 · PRACTICE
Week 1 · Lesson 2 of 2

Unit 2: Art Around the World

Lesson 2.2: Kente Cloth and Adinkra Symbols

Name _____ Date _____

TODAY'S GOAL

I can describe kente cloth and adinkra symbols and create a pattern with meaning.

Standards: NCAS VA:Cr1, VA:Cn10

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.2 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Practice, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. A repeating planned design

_____

2. To make cloth by crossing threads

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · PATTERN STRIPS

How can a repeating pattern carry meaning?

You need: strips of paper about 2 inches wide; markers or crayons; a potato or foam piece and a pencil for a stamp (with an adult); paint.

1. Choose three colors and decide what each means to you. ☐
2. Draw a geometric pattern that repeats along two or more paper strips. ☐
3. Carve or press a simple symbol into a potato half or foam and stamp it in a row. ☐
4. Glue the strips side by side, like kente. ☐

Safety: An adult should cut or carve the stamp.

3 Design your own symbol for an idea that matters to you. Repeat it three times in a row.

4 Make a key for your pattern cloth.

Color or symbol	What it means

PART C Check Your Understanding

Directions: Answer each question.

5 Where does kente cloth come from?

6 What does the Sankofa symbol mean?

7 What is a motif?

PART D Practice

Directions: Answer each question. Use the lesson.

8 Kente gold often stands for...

9 Kente green often stands for...

10 How are adinkra symbols printed?

11 How are kente strips joined?

PART E Exit Ticket

Directions: Answer in complete sentences.

12 Explain what your pattern cloth's colors and symbol mean.

Directions: Answer each question, then complete the drawing.

1. A picture that stands for an idea

2. The king of Benin

3. Woven cloth from Ghana

4. Adinkra symbol meaning “go back and get it”

5. Draw a repeating pattern with one symbol of your own.

LESSON 2.3 · PRACTICE
Week 2 · Lesson 1 of 2

Unit 2: Art Around the World

Lesson 2.3: Chinese Calligraphy

Name _____ Date _____

TODAY'S GOAL

I can describe Chinese calligraphy and use a brush to make thick, thin, and expressive strokes.

Standards: NCAS VA:Cr2, VA:Re7

WHAT TO DO

- [ ] Start with Part A Warm-Up.
- [ ] Read Textbook Lesson 2.3 with your teacher.
- [ ] Then do the rest of these pages in order: Part B Studio Sheet, Part C Check Your Understanding, Part D Practice, Part E Exit Ticket.
- [ ] Answer in complete sentences unless a line asks for one word.
- [ ] Check your work with your teacher and fix any mistakes.

PART A Warm-Up

Directions: Write the word for each description.

1. Beautiful, artistic handwriting

_____

2. One mark made without lifting the brush

_____

PART B

Studio Sheet

Directions: Gather what you need. Do each step and check it off. Record as you go.

CREATE · BRUSH STROKE PRACTICE

How does pressure change a brushstroke?

You need: a soft round paintbrush; black watercolor or ink; newspaper or thin paper; a cup of water.

1. Make a row of strokes, pressing harder on each one. ☐
2. Make strokes that go from thick to thin and thin to thick. ☐
3. Copy the character for mountain (山) three times, following the stroke order your teacher shows. ☐
4. Circle your best one. ☐

Safety: Cover your work space; ink can stain.

3 Copy the character for tree (木). Then make three strokes that show a feeling: calm, excited, and strong.

4 Which character came out best? What made it work?

PART C Check Your Understanding

Directions: Answer each question.

5 What are the Four Treasures?

6 How do you make a thick stroke?

7 Why can't calligraphers erase?

PART D Practice

Directions: Answer each question. Use the lesson and the chart.

8 Which treasure is ground with water?

9 What does the character 人 mean?

10 How old is the art of Chinese calligraphy?

11 Which character means mountain?

PART E Exit Ticket

Directions: Answer in complete sentences.

12 How can a single brushstroke show a feeling?

CREATE · MISTY MOUNTAIN SCROLL

Can you show distance with dark and light ink?

You need: a long strip of paper (like a scroll); black watercolor; a brush; water in a cup.

1. Mix three values of gray: very light, medium, and dark. ☐
2. Paint the farthest mountains at the top in the lightest gray. ☐
3. Paint closer, overlapping mountains lower down in medium gray. ☐
4. Paint the closest rocks and trees at the bottom in dark ink, and add one tiny person or house. Leave white space for mist. ☐

3 Sketch three overlapping mountains. Shade the closest one darkest and the farthest one lightest.

4 How did you show the three values in your finished scroll?

PART C Check Your Understanding

Directions: Answer each question.

5 What does shan shui mean?

6 Who painted Travelers Among Mountains and Streams?

7 How do painters make mountains look far away?

PART D Look and Describe

Directions: Look closely, then answer.

8 Look at Travelers Among Mountains and Streams on a museum website. Describe how Fan Kuan made the mountain feel huge.

PART E Exit Ticket

Directions: Answer in complete sentences.

9 Why do Chinese landscape painters often show tiny people?
